<p>SMC “T”字型型材 SMC “T”-shape</p>	<p>70</p>	<p>50</p>	<p>10</p>	<p>2200</p>	 <p>The image shows a technical drawing of an SMC T-shaped profile. The profile is filled with diagonal hatching. Dimension lines indicate the following measurements: a vertical height of 70 on the left side, a horizontal width of 70 at the bottom, a vertical height of 50 for the stem, and a horizontal width of 10 for the stem's top edge. The total length of the profile is indicated as 2200.</p>
